

Netter's Anatomy Flash Cards – Section 5 – List 4th Edition

<https://www.memrise.com/course/1577366/>

Section 5	Pelvis and Perineum (24 cards)
Plate 5-1	Bones and Ligaments of Pelvis
1.1	Iliolumbar ligament
1.2	Supraspinous ligament
1.3	Posterior sacro-iliac ligaments
1.4	Greater sciatic foramen
1.5	Sacro-tuberous ligament
1.6	Anterior longitudinal ligament
1.7	Posterior sacrococcygeal ligaments
1.8	Iliac fossa
1.9	Iliac crest
1.10	Anterior sacro-iliac ligament
1.11	Anterior superior iliac spine
1.12	Sacrospinous ligament
1.13	Lesser sciatic foramen
1.14	Pecten pubis
1.15	Pubic tubercle
1.16	Pubic symphysis
Plate 5-2	Pelvic Diaphragm: Male
2.1	Levator ani muscle (Puborectalis; Pubococcygeus; Iliococcygeus)
Plate 5-3	Pelvic Diaphragm: Male
3.1	Coccygeus (ischiococcygeus) muscle
Plate 5-4	Female Perineum
4.1	Ischiocavernosus muscle with deep perineal (investing, or Gallaudet's) fascia removed
4.2	Bulbospongiosus muscle with deep perineal (investing, or Gallaudet's) fascia removed
4.3	Perineal membrane
4.4	Superficial transverse perineal muscle with deep perineal (investing, or Gallaudet's) fascia removed
4.5	Perineal body
4.6	Parts of external anal sphincter muscle (Deep; Superficial; Subcutaneous)
4.7	Levator ani muscle (Pubococcygeus; Puborectalis; Iliococcygeus)
4.8	Gluteus maximus muscle
Plate 5-5	Perineum and Deep Perineum
5.1	Compressor urethrae muscle
5.2	Sphincter urethrovaginalis muscle
Plate 5-6	Perineum and Deep Perineum
6.1	Sphincter urethrae muscle (female)
Plate 5-7	Male Perineum
7.1	Bulbospongiosus muscle with deep perineal (investing, or Gallaudet's) fascia removed
7.2	Ischiocavernosus muscle with deep perineal (investing, or Gallaudet's) fascia removed
7.3	Perineal membrane
7.4	Perineal body
7.5	Superficial transverse perineal muscle with deep perineal (investing, or Gallaudet's) fascia removed
7.6	Parts of external anal sphincter muscle (Subcutaneous; Superficial; Deep)
7.7	Levator ani muscle (Pubococcygeus; Puborectalis; Iliococcygeus)
7.8	Gluteus maximus muscle
Plate 5-8	Perineal Space
8.1	Sphincter urethrae muscle (male)
Plate 5-9	Anorectal Musculature
9.1	External anal sphincter (Deep; Superficial; Subcutaneous)
Plate 5-10	Nerves of Pelvic Viscera: Female
10.1	Sympathetic trunk and L2 ganglion
10.2	Lumbar splanchnic nerves
10.3	Sacral splanchnic nerves (sympathetic)

10.4	Pudendal nerve
10.5	Pelvic splanchnic nerves (parasympathetic)
10.6	Inferior hypogastric (pelvic) plexus
10.7	Superior hypogastric plexus
Plate 5-11	Nerves of Perineum and External Genitalia: Female
11.1	Dorsal nerve of clitoris
11.2	Posterior labial nerves
11.3	Branches of perineal nerve (Superficial; Deep)
11.4	Pudendal nerve in pudendal (Alcock's) canal (dissected)
11.5	Perineal nerve
11.6	Inferior anal (rectal) nerves
Plate 5-12	Nerves of Perineum: Male
12.1	Perineal nerves (Superficial; Deep)
12.2	Inferior anal (rectal) nerves
12.3	Pudendal nerve
12.4	Perineal nerve
12.5	Superficial and deep branches of perineal nerve
12.6	Dorsal nerve of penis (continuation of pudendal nerve supplying muscles on superior aspect of perineal membrane)
Plate 5-13	Arteries of Female Pelvis
13.1	Superior gluteal artery
13.2	Obturator artery
13.3	Umbilical artery (patent part)
13.4	Internal pudendal artery
13.5	Inferior gluteal artery
13.6	Uterine artery
13.7	Inferior rectal artery
13.8	Superior vesical arteries
13.9	Umbilical artery (occluded part)
13.10	Internal iliac artery
13.11	Right common iliac artery
Plate 5-14	Arteries and Veins of Female Perineum
14.1	Posterior labial artery
14.2	Perineal artery
14.3	Perineal artery
14.4	Internal pudendal artery in pudendal (Alcock's) canal
14.5	Inferior rectal artery
14.6	Artery to bulb of vestibule
14.7	Dorsal artery of clitoris
Plate 5-15	Veins of Rectum and Anal Canal
15.1	Common iliac veins
15.2	Median sacral vein
15.3	External rectal plexus
15.4	Internal rectal plexus
15.5	Inferior rectal vein
15.6	Internal pudendal vein (in pudendal [Alcock's] canal)
15.7	Internal pudendal vein
15.8	Middle rectal vein
15.9	Superior vesical and uterine veins
15.10	Internal iliac vein
15.11	External iliac vein
15.12	Superior rectal vein (from inferior mesenteric vein)
Plate 5-16	Arteries and Veins of Male Pelvis
16.1	Right obturator vessels
16.2	Superior vesical artery
16.3	Umbilical artery (occluded part)
16.4	Superficial dorsal vein of penis
16.5	Pampiniform (venous) plexus
16.6	Inferior rectal artery
16.7	Internal pudendal artery

16.8	Inferior gluteal artery
16.9	Superior gluteal artery
16.10	Internal iliac vessels
Plate 5-17	Arteries and Veins of Male Perineum
17.1	Inferior rectal artery
17.2	Internal pudendal vessels and pudendal nerve (<i>cut</i>) in pudendal (Alcock's) canal (<i>opened up</i>)
17.3	Internal pudendal artery passes superior to perineal membrane
17.4	Perineal artery and vein
17.5	Posterior scrotal arteries
Plate 5-18	Female Pelvic Contents: Superior View
18.1	Uterus (fundus)
18.2	Ovary
18.3	Uterine (fallopian) tube
18.4	Round ligament of uterus
18.5	Broad (lateral uterine) ligament
18.6	Sigmoid colon
18.7	Suspensory ligament of ovary (contains ovarian vessels)
18.8	Rectum
18.9	Recto-uterine pouch (cul-de-sac of Douglas)
18.10	Urinary bladder
Plate 5-19	Transverse Section: Tip of Coccyx (Male)
19.1	Urinary bladder (interior)
19.2	Spermatic cord
19.3	Prostate gland
19.4	Femur (head)
19.5	Greater trochanter (femur)
19.6	Sciatic nerve (right)
19.7	Gluteus maximus muscle
19.8	Anal canal (proximal)
19.9	Coccyx (tip)
19.10	Levator ani (puborectalis) muscle
19.11	Internal pudendal artery and vein
19.12	Obturator artery, vein, and nerve
19.13	Iliopsoas muscle
19.14	Femoral vein, artery, and nerve
Plate 5-20	Support Structures of Female Pelvic Viscera
20.1	Obturator artery
20.2	Cervix of uterus and uterovaginal fascia
20.3	Uterine vessels
20.4	Cardinal (transverse, or Mackenrodt's) ligament
20.5	Uterosacral fold (uterosacral ligaments lie in this fold)
20.6	External iliac vessels
20.7	Ureter
20.8	Recto-uterine pouch (of Douglas)
20.9	Urinary bladder (vesical fascia partially removed)
Plate 5-21	Female Perineum
21.1	Clitoris
21.2	Bulbospongiosus muscle
21.3	Ischial tuberosity
21.4	Sacrotuberous ligament
21.5	Ischio-anal fossa
21.6	Perineal body
21.7	Superficial transverse perineal muscle
21.8	Greater vestibular (Bartholin's) gland
21.9	Bulb of vestibule
21.10	Ischiocavernosus muscle
Plate 5-22	Male Pelvic Contents: Superior View
22.1	Ductus deferens (in peritoneal fold)
22.2	Deep inguinal ring
22.3	Testicular vessels (in peritoneal fold)

22.4	Descending colon
22.5	Ureter
22.6	Cecum
22.7	Rectovesical pouch
22.8	Urinary bladder
22.9	Rectum
Plate 5-23	Male Perineum and Penis
23.1	Glans penis
23.2	Deep (Buck's) fascia of penis
23.3	Ischiocavernosus muscle (<i>cut away</i>)
23.4	Superficial transverse perineal muscle
23.5	Perineal body
23.6	External anal sphincter muscle
23.7	Levator ani muscle and inferior fascia of pelvic diaphragm roofing ischio-anal fossa
23.8	Gluteus maximus muscle
23.9	Anus
Plate 5-24	Testis, Epididymis, and Ductus Deferens
24.1	Ductus deferens
24.2	Epididymis (head, body, tail)
24.3	Lobules
24.4	Tunica albuginea
24.5	Septa
24.6	Area of rete testis (mediastinum testis)
24.7	Efferent ductules
